This 100 member strong Choir under the direction of Cliff van Tonder, has been delighting audiences across London and Elmbridge with their enthusiastic and often quirky take on both modern and classic popular music.

Join them for a musical romp starting in the 'fab sixties' careering through the West End stage musical era and ending up right here in the trendy 2000's. Prepare for an evening of musical fun and entertainment and let yourself be swept away by numbers from legends such as The Beatles, Westlife, Michael Buble, Queen and stage musicals such as Chicago, Phantom of the Opera, Lion King and Les Miserables. Un-missable!
